

5 March 1965

TO : Chief, GC/X

THROUGH: Chief, GRA  
Chief, ERA  
Chief, D/MS

FROM : Chief, MS/CST

SUBJECT: Commendation for Outstanding Support

1. On the afternoon of 18 Feb 1965, GC/X was contacted and asked to provide 16 Vu-Graph slides of various U.S. and Soviet military facilities. This work was needed for a conference with representatives of [REDACTED] Laboratories on the morning of 24 Feb 1965. The slides were delivered on schedule, are of very high quality, and were completed in only three working days from the time of request.

2. [REDACTED] drafted the slides from hand drawings provided by MS/CST. He is to be particularly commended for producing high quality results on such very short notice. Also to be commended are [REDACTED] Chief, GC/X and [REDACTED] whose wholehearted support made possible such rapid response to a short notice requirement.

3. It is worthy of note that GC/X, through this, and other similar actions, has come to be known as an organization which can be counted on to turn out high quality work under stress of short deadlines. This reputation is fully deserved.
